2010 Joint Meeting

Swiss Society for Neuroscience

&

Swiss Society of Sleep Research, Sleep Medicine and Chronobiology

Lausanne-EPFL  March 12-13 2010
Dear Colleagues,

We would like to invite you to the 2010 Joint Meeting of the Swiss Society of Neuroscience (SSN) and the Swiss Society of Sleep Research, Sleep Medicine and Chronobiology (SSSSC) at the EPFL in Lausanne.

Our program on Friday March 12th includes satellite symposia on Sleep Apnea Syndrome, Neurodegenerative disease and REM Sleep Behaviour Disorder presented by world experts in the field. In parallel workshops, the participants have the choice between various topics on Obstructive Sleep Apnea Syndrome, parasomnias and basic sleep research.

The program on Saturday 13th starts with a keynote lecture on “Sleep and Synaptic Plasticity” given by Prof. Chiara Cirelli, University of Madison, Wisconsin, USA. A Datablitz session will give younger scientists a forum to present their work. In several parallel symposia fundamental, systems, cognitive and clinical neuroscience will be presented by national experts in these fields. During lunch, there will be ample time for poster presentations giving a broad view of the Swiss research activities in neuroscience and sleep.

Both societies will also present several awards, allowing participants to follow major topics published by Swiss research groups.

We also would like to invite you to register for the “Societies Dinner” in the Lausanne Flon Area, providing a unique opportunity to make personal contacts with researchers and clinicians in the fields of neuroscience and sleep.

We look forward to seeing you in Lausanne and kindly ask you to register by February 25th, 2010.

Prof. Johannes Mathis
President SSSSC

Prof. Nicole. Schaeren-Wiemers
President SSN

Dr. Raphael Heinzer
Scientific Committee SSSSC

Dr. Micah Murray & Prof. Carmen Sandi
Scientific Committee SSN
2010 Joint Meeting
Swiss Society for Neuroscience &
Swiss Society of Sleep Research, Sleep Medicine and Chronobiology

Friday, March 12th 2010

13:00 Welcome remarks from the SSSSC president Prof. Johannes Mathis

13:15 Resmed Symposium
“Collateral Damages of Sleep Apnea” Moderator: PD Dr. Malcolm Kohler

PD Dr. Daniel Mojon
St. Gallen, Switzerland
“Sleep apnea and ophthalmic disorders, myth or reality?”

Prof. John Stradling
Oxford Centre for Respiratory Medicine, UK
“Is OSA a risk factor for diabetes mellitus and diabetic retinopathy?”

14:45 Break

15:15 Boehringer Ingelheim–Sanofi Symposium
“Sleep and Neurodegenerative disorders” Moderator: Dr. Raphael Heinzer

Prof. Yves Dauvilliers
Montpellier, France
“Insomnia and hypersomnia in neurodegenerative disorders”

Prof. Jacques Montplaisir
Montréal, Canada
“REM Behaviour Disorder and Parkinson”

16:45 Break

17:15 Workshop 1: *
“Intermittent hypoxia: good or bad for the cardiovascular system?”
Dr. Renaud Tamisier, Grenoble, France

or Workshop 2: *
“Clinical aspects of parasomnias”
Dr. José Haba-Rubio, Lausanne, Switzerland

18:00 Break

18:15 Workshop 3: *
“Sleep and memory: excitements and pitfalls”
Prof. Reto Huber, Zurich, Switzerland

or Workshop 4: *
“Tips and Tricks for Treating Nocturnal Hypoventilation”
Prof. Konrad Bloch, Zurich, Switzerland

19:00 Transfer to “Lausanne Flon” area (Metro M1)

19:30 Societies dinner* (registration required)
Lausanne Flon area “Nomade” Restaurant

*Please register for the workshops (50 CHF) and dinner (50 CHF) by paying these fees to the following account (payment=registration):
IBAN: CH21 0483 5077 9979 2101 6
Clearing: CRESCHZZ43A
Bank: Crédit Suisse, CH-4310 Rheinfelden.

</tbody>
</table>
### CO2 Auditorium
- **Systems Neuroscience:** *Imaging the brain in action*
  - **Organized by Carmen Sandi and Carl Peterson**
  - **Rainer Friedrich, Basel**
    - "Optical imaging and manipulation of olfactory computations in the zebrafish brain"
  - **David Margolis, Zurich**
    - "Repeated functional imaging in mouse barrel cortex: stability and plasticity of sensory representations"
  - **Carl Petersen, Lausanne**
    - "Imaging sensorimotor integration"

  - **Alan Carleton, Geneva**
    - "Imaging in the gustatory cortex"

### CO3 Auditorium
- **Cognitive Neuroscience:** *Learning and plasticity across the lifespan*
  - **Organized by Micah Murray and Christoph Michel**
  - **Dr. Martin Meyer, Zurich**
    - "Absolute pitch and its implications for language"
  - **Prof. Daniel Brandeis, Zürich**
    - "Plasticity in reading acquisition"

  - **Dr. Narly Golestani, Geneva**
    - "Brain structural and functional bases of language learning and expertise"

  - **Ms. Elisa Tartaglia, Lausanne**
    - "Human perceptual learning by mental imagery"

### SG1 Auditorium
- **Clinical Neuroscience:** *Vigilance and sleepiness: from bench to bedside*
  - **Organized by Raphaël Heinzer**
  - **Prof. Adriano Fontana, Zürich**
    - "Cytokines, circadian clock genes and sickness behavior syndrome"

  - **Prof. Mehdi Tafti, Lausanne**
    - "Update on stimulant medication"

  - **PD Dr. Christian Baumann, Zürich**
    - "What is the best way to test vigilance - implications for driving"

### 16:30-17:10 Bing Prize Laureates
- **SG1 Auditorium**
  - **Prof. Matthew E. Larkum**
    - Physiology Institute, University of Bern
    - "The pyramidal neuron as an associative unit - an organizing principle for cerebral cortex"
    - (Laudation by Prof. Hans-R. Lüscher)
  - **PD Dr. Thomas Nyffeler**
    - Neurology Clinic, Bern University Hospital
    - "Theta burst stimulation induces improvement of visual neglect"
    - (Laudation by Prof. Christian W. Hess)

### 17:10-17:30 Volker-Henn best poster awards (10’)
- **SG1 Auditorium**

### 17:30 Aperitif sponsored by the Swiss Academy of Medical Sciences
Directions and maps

By car: Highway N1 exit “EPFL UNIL” (not recommended, parking difficult)

By train (recommended): From Lausanne main station, take M2 underground to “Flon” station (dir “Croisettes”) then M1-TSOL to EPFL station (dir “Renens”) see map below.
Hotel Suggestions:

Hotel de la Paix ****  Tél: 021 310 71 71 (Special prices for the meeting)
Hotel Alpha Palmier ****  Tél: 021 555 59 99  (Close to the train station)
Hotel City***  Tél: 021 320 41 41
Hotel Regina***  Tél: 021 320 24 41
Lausanne Guesthouse  Tél 021 601 80 00 (Close to the train station)

Clinicians will receive credits from the following societies:

SSSSC: 12 points  SNG: 8 points  
SGP: 5 points  SSPP: 6 points
